Application No. 07-04-001  
(Filed April 2, 2007)

**NOTICE OF EX PARTE COMMUNICATION**

Pursuant to Rule 8.3 of the Commission's Rules of Practice and Procedure, Southern California Edison Company (SCE) hereby gives notice that on December 13, 2007, at approximately 2:15 p.m., John P Hughes of SCE's San Francisco Office contacted ALJ Bertram D. Patrick via a telephone call. No written materials were provided. Mr. Hughes stated that the proposed language change that was inserted on page 5 of the "escutia" draft of the Proposed Decision (PD) at the December 6, 2007 CPUC business meeting should be removed from the final decision. He stated that Edison's November 21, 2007 reply comments to DRA's opening comments on the PD fully addressed the issue.

Mr. Hughes stated that DRA 's concern that, at some undefined point in the future, Arizona Public Service's (APS) actions "may" result in the need for replacement power is insufficient reason to justify DRA's recommendation at this time. DRA can raise this issue in a future proceeding if warranted, but at this time there is no reason to require SCE in the current Commission decision to address DRA's concern in its next compliance review proceeding.
